

Dog Licensing

All dogs five (5) months of age or older in the Village of Richfield are required by law to be vaccinated against rabies and issued an annual license.

Please issue separate checks for dog licenses and tax payments.

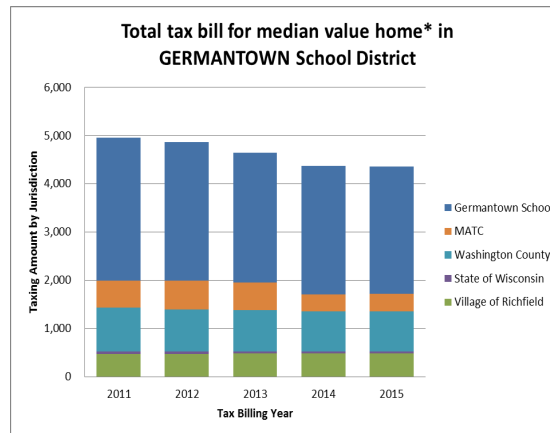

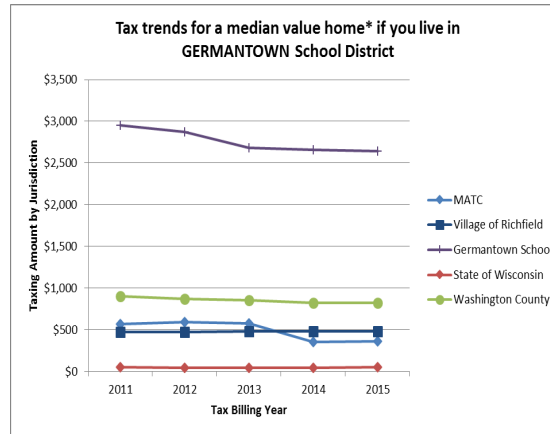

Proof of vaccination must accompany the application in order to receive a license per WI State Statute 95.21 (20) (A).

Cats do not need to be licensed.

Animal Fancier's Permit

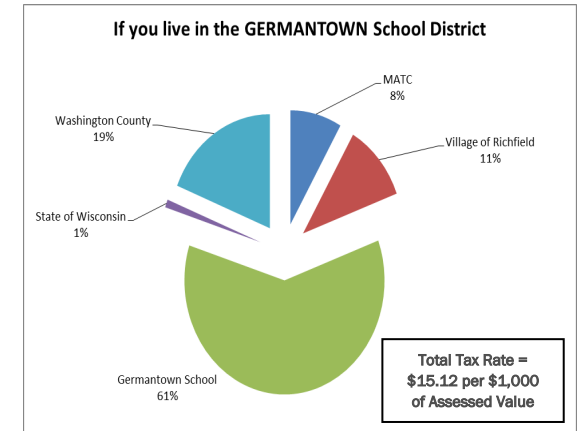

Anyone having more than three (3) dogs over the age of five (5) months will need an Animal Fancier's Permit, per Village Ordinance. The cost of this permit is \$30, plus the regular dog license fee for each dog.

These permits can be obtained at the Village Hall during normal business hours.
